B-Wanted

Another handsome 10th grader and a member of the magic club
Akira Tooru
Mashiro Sunao
A 9th grader who is an expert at the "Shinmai" style
Kakeba Kaoru
A handsome 10th grader and the president of the magic club

Previously...

Entering high school, Sunao met Kakeru and Tooru and joined their magic club. But in truth, they are really burglars in disguise. Stuck in a web of lies, Sunao has no choice but to become their accomplice.

Kakeru and Tooru are pursuing the treasure that belonged to the thief, "B". A treasure worth three hundred thousand yen...could be theirs if they can collect all 7 glass figurines of "B".

They are going step by step towards their goal. And this time, their goal is...?

Grandmother
Sunao's grandmother and teacher of the Shinmai style
Mysterious Girl
Somehow took a picture of Sunao while they were "stealing"
Akira Tooru
Is preventing Sunao from obtaining the glass figurines of "B"

I NEVER THOUGHT THAT TOORU-SENPAI AND KAORU-SENPAI WERE BROTHERS
AND THAT THEY ALSO LIVE TOGETHER ...
JUST THE THOUGHT OF FINDING A TREASURE THAT'S WORTH 3 HUNDRED MILLION...
IS TOO MUCH FOR ME TO HANDLE...
ALSO ...

EVEN THOUGH
THEY'RE BROTHERS. BUT..
TOORU'S FATHER
...MARRIED KAORU'S MOTHER
THEY'RE NOT BROTHERS BY BLOOD.
KAORU STILL KEPT HIS LAST NAME IN SCHOOL
IT'S EASIER TO HIDE OUR FEELINGS
ANYWAYS...

SIGN MAGAZINE HEADQUARTERS
THEY'RE NOT RELATED BY BLOOD

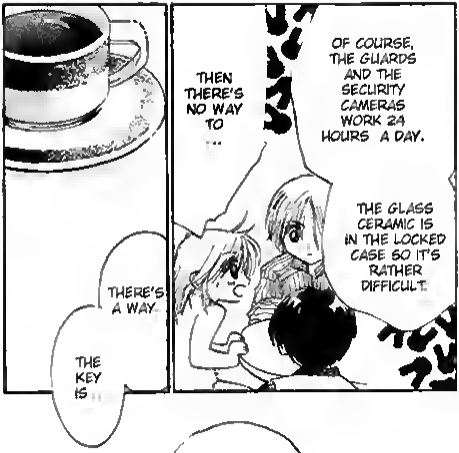
BABBLING BOB

Some readers have probably noticed this already, NAPHTHALENE Kurashima Sensei from Trick 7 and on, started to help me draw the original script. Because of this Andou became a bit mischevious Transforming NAPHTHALENE Sensei's personality into "NAPHNAPH" emerging in Andou's manga.

This is NAPHNAPH.

Height: 3cm

Because NAPHNAPH is just a random character he'd sometimes appear twice in a chapter I'm still not quite sure of the number of appearance he may have in the future (to a point, he might appear less than the girl with the backpack and wings!) It might as well be very difficult to search for him, those of you who are free, give it a try and look for him! Answer P20 the two places inside the last box. P39 last box P117 4th box P153 last box If you can't find him, please try to search with your friends or family!



THEN THERE'S NO WAY TO ...
OF COURSE, THE GUARDS AND THE SECURITY CAMERAS WORK 24 HOURS A DAY.
THE GLASS CERAMIC IS IN THE LOCKED CASE SO IT'S RATHER DIFFICULT.
THERE'S A WAY
THE KEY IS ...

I'M GONNA USE THIS COMPUTER TO TURN OFF ALL THE ALARM SYSTEMS.
WE'LL TAKE ACTION AT... 6 O'CLOCK.
AFTER ONE MINUTE, THE BACKUP SYSTEM WILL START RUNNING.
BUT IT CAN ONLY BE TURNED OFF FOR A MINUTE.
ACTUAL BURGLARY ACTION
THIS TIME... WE REALLY ARE BURGLARS!!
OK!
SUNAO AND TOORU WILL GO IN AND STEAL WITHIN THAT TIME FRAME.
UNDER-STAND?

LETTERS FROM THE READERS

I always recieve a lot of letters from the readers, thenk you very much! In "B-Wanted Vol1", I said I wouldn't reply to any of the letters starting April '99, but nonetheless the readers didn't mind and continued sending letters. I'm moved emotionally, due to this. There is no way for me to reply to all the letters, and this makes me feel miserable and sad.

Although the plan to reply the letters prior to September '99 is still in process, many did not receive my replies due to the great number of letters and my lack of time. I'm very sorry...! If the average length of the Japanese girls' necks is increasing, I'm probably the cause! Hope everybody has enough patience to wait a little longer...

Please read "Letters From the Readers #2"

LETTERS FROM THE READERS #2

I really want to reply to those letters sent from October '99 and on! But, according to the situation I am currently in, there's no way I can promise that I'll reply. I'm really... really sorry! But, I'll still read the letters carefully not even misreading a word, and keep them! No matter if the only thing written in the letter is "I'm your manga fan" or many letters written with opinions and thoughts, I'd still read them. I can feel the power of love in every single letter! I appreciate that very much!

Some readers really mind whether their handwritings are pretty or not, or whether the sentences are in a flow. actually these aren't problems at all. I'm happy because of your intentions and care! Although I can't reply to your letters, I'll still use this corner in a 1/3 of a page to answer the readers' questions however this plan is still in process. Everyone can still send letters to me and I'll answer your questions if the layout permits

Every month...I receive a lot of participants submission to the "Mini-Comic Corner" in the NAKAYOSHI magazine, thank you very much! The comments that you all added onto the "Mini-Comic Corner", Andou received them!

YOU KNEW THE ANSWER OF SUCH A DIFFICULT QUESTION!
BUT, YOU WERE REALLY AWESOME, TOORU SENPAI!

I...
CAN'T PROTECT YOU.
I SAID I'D PROTECT YOU, BUT...
IF IT WASN'T FOR KAORU--
EVEN THOUGH HE COULDN'T CONNECT WITH US, HE STILL KNEW WHAT THE SITUATION WAS LIKE.
HE PURPOSEDLY ACTED AS A LURE, CAUSING THE GUARDS TO LOSE THEIR CONCENTRATION
I COULDN'T DO IT.

NO! TOORU-SENPAI IS AWESOME AS WELL!
IF IT WASN'T FOR YOU...
I THINK I'D HAVE BEEN CAUGHT.
BECAUSE I COULDN'T FIGURE OUT THE ANSWER TO THAT QUESTION.
SAY IT!
SAY THAT "TOORU SENPAI IS AWESOME".
SAY THAT "TOORU SENPAI IS INCREDIBLE".
VERY INCRED-IBLE...
THAT GUY...

SAY IT...
THEN THINGS WILL BE FINE...
I...
.....
WHY...CAN'T I SAY IT?
OK!
WHO'S THE ONE TELLING THE TRUTH?

LET'S SAY--
IF J TELLS THE TRUTH...
AND Q LIES, K'S WORDS WOULD BECOME TRUE, THEN THERE WOULD BE TWO PEOPLE TELLING THE TRUTH.
OR LET'S SAY K TELLS THE TRUTH, Q IS LYING...
AND THAT J IS ALSO LYING... THEN Q'S WORDS WOULD BECOME THE TRUTH! THAT'S WRONG ALSO.
SO...

THE ONE WHO SPEAKS THE TRUTH IS Q--
WHICH IS SUNAO.

WANTED
I once posted a wanted notice for names regarding the glass ceramic story
At first, I thought it'd be hard, but unexpectedly, a lot of people joined. Even the supervisor was very happy... and cried!
I was very nervous while choosing the best one, because everybody worked very hard to come up with a name.
Choosing Model
The phrases that everyone knows
The meaning that has to do with glass ceramic.
Andou Natsumi's feeling towards the name.
Everyone was very upset during the final round, which one should we choose?
The name that we all agree on will be post in Trick 10. But this name might not be the final decision...
MAYBE YOU CAN'T GET THE PRIZE
DIDN'T WRITE THE REAL NAME

Lastly I've finally contacted the participants, made it to the time of announcement! We almost canceled this award so many... this is great! Actually we won't really do it!

Kindergarten at the Church

The kindergarten that Andou Natsumi went to when little belongs to the church, so every morning the students would pray at the church.
I also participated in the activities/masses during Easter and Christmas. But I didn't baptize to become a Christian. I learned a lot from the mythology and stories in the Bible during childhood, which is very nice. But it also causes me to let something out of my mouth that might jeopardize the risk of being punished by God! I don't think (for sure) that there is a Father as worse as me in reality! So don't worry, let the children go to religious schools! I don't seem to know what I'm talking about up to this point!
